On this land for many thousands of years the traditional owners of Australia have celebrated and shared their culture through stories, songs, dance and music. For more than half a century the Uranquinty Folk Festival has similarly shared music and stories here on Wiradjuri country.

We acknowledge the Wiradjuri and their elders, past, present and emerging who care for this country, and offer our respect and thanks to them. May music bring people of all cultures and countries together in harmony.

Please note, our hardworking volunteer catering team do not have the facilities to cater for allergies and food intolerances.

Note: Daylight saving commences 2am Sunday (when it becomes 3am), so the Sunday program is in Daylight Saving Time.
